## State Farm Renews Lease at Warrenton Towne Centre

McLean, Virginia, Friday, May 01, 2009 – Today, **Greater McLean Chamber member** Kalis Development Corporation announced State Farm Insurance renewed its lease for 1,320 square feet of space at the Warrenton Towne Centre. Fraser G. Schaufele, III of The Rappaport Companies represented the landlord and R. Glenn Albert represented the tenant to bring about this lease renewal. Nicholas Kalis, property manager of the Warrenton Towne Centre explained, “We are excited to have State Farm continue to contribute to the success of this shopping center.”

State Farm® was founded in 1922 by retired farmer and insurance salesman George Jacob "G.J." Mecherle. Mecherle knew farmers drove less and had fewer accidents than city folks. He thought they should pay less for automobile insurance. The insurance company G.J. worked for didn't agree — and suggested he start his *own* company. Today, State Farm insures more cars than any other insurer in North America. They are the leading U.S. home insurer. More than 17,000 agents and 68,000 employees serve over 75 million policies in the United States and Canada.
