Clean Water Pools & Spas this month signed a lease for 5,789 square feet in Warrenton Towne Centre at 601 Frost Ave., according to a news release. The business plans to open in the shopping center the first week of February.

Warrenton Towne Center is managed by Kalis Development Corporation. Clean Water joins Food Lion, Harbor Freight Tools, Dollar General and other tenants at Warrenton Towne Center.

Clean Water's beginnings date back to 1960 when James E. Butcher set up shop in an old U-Haul building in Winchester, according to the release. Still family-owned, the company has grown over the decades and now has the largest pool and hot tub showroom in Frederick County.

The company brands itself as a "one-stop-shop" for pool, spa and hot tub owners.

The Kalis Companies has leased or renewed 64,000 square feet of retail space at Warrenton Towne Centre in 2023, with another 2,000 square feet expected before year's end, according to company officials.

Nora Eways Saa of Renaud Consulting assisted with the Clean Water Pools & Spas transaction.
