Subject: The Dog Spa Leases at Warrenton Towne Centre

Warrenton, Virginia, Tuesday, September 3, 2019 – Today, Kalis Development Corporation announced **The Dog Spa** has leased space at the Warrenton Towne Centre on Route 211. Please be on the look out for a grand opening announcement for Warrenton's newest dog grooming spa at 585 Frost Avenue.

AshLee Pezzuto, the owner, has been an animal lover her whole life. Growing up with an array of pets on her family farm gave her an in-depth skill set and knowledge base as well as the passion to pursue experience in the fields of veterinary medicine and rescue rehabilitation; and dog training and behavior. It all culminated in a career as a certified dog groomer.

AshLee started her career with animals as a Veterinary Assistant where she received her first grooming experience. Then, while working in a rescue rehabilitation center AshLee volunteered to do the grooming of shelter pets in desperate need in order to help them find their forever homes.

AshLee's passion to work with animals is now expressed through grooming, dog training, and dog shows. AshLee is available for individual custom-tailored care, special needs cases, and everyday upkeep; she looks forward to serving you and your dogs for years to come.
