**Kalis Development Corporation** is pleased to announce Warrenton Towne Centre is hosting the Christmas Toy Workshop during December 2007.

This program is run by the Warrenton-Fauquier Jaycees. It helps about 800 children in the county comprising about 250 families. The **Fauquier County Department of Social Services** sends their application out to families in the county that are deemed to be in need of help. Parents or guardians fill out the application with each child's name, age, gender, clothing sizes, needs and wishes. They also inform the Jaycees of any family needs. The Jaycees use Angel Trees which get the word out. Some of the parents do not have transportation and opt to have their gifts delivered to their home which is done by the Jaycees.
