Subject: Gibson Custom Shop Guitar Trailer to Visit Williamsburg Shopping Center in Arlington, Virginia

Mark your calendars! On **Sunday, September 9, 2007** the **Gibson Custom Shop Guitar Trailer Event** comes to Arlington's **Williamsburg Shopping Center** at Williamsburg Boulevard and North Sycamore Street. One section of our parking lot will be cordoned off from 9:00 AM until 6:00 PM. Refreshments will be served.

Gibson will provide music fans with the ultimate guitar experience. A "state-of-the-art" custom trailer will be on-site during this day to complement our own Action Music. The trailer will have thirteen interactive guitar stations with a combination of Gibson and Epiphone guitars, each providing the guitar lover with their own opportunity to jam.
