**Subject:** Santa Claus Visits Arlington's Williamsburg Shopping Center

Arlington, Virginia -- On December 16, 2004, Santa Claus paid an all day visit to Arlington's Williamsburg Shopping Center. Santa's visit was made possible by the generous donations of Laura Fall of Fall Properties, Virginia Commerce Bank, and Kalis Development Corporation. Over sixty children were able to visit with Santa. In addition, Fall Properties called a success its toy drive for Toys For Tots. The **Arlington Sun Gazette** covered Santa's visit with a front-page color photograph of the event.

The Williamsburg Shopping Center is located at the intersection of Williamsburg Boulevard and North Sycamore Street. This shopping center, containing fourteen shops, straddles the affluent 22207 and 22213 zip codes. Management and Leasing is by Kalis Development Corporation of McLean, Virginia.
