

## Kalis Development Corporation Announces a Habitat for Humanity ReStore will open at Warrenton's Warrenton Towne Centre

Published March 26, 2012 | By Crystal M.

**McLean, Virginia, Friday, March 23, 2012** – Today, Nicholas Kalis announced Fauquier Habitat for Humanity has leased 15,922 square feet in Warrenton's Warrenton Towne Centre. Landlord was represented by Gwen Edwards of Renaud Consulting. This space was originally a Grand Home Furnishings which was divided and leased in part to Tuesday Morning.

Fauquier Habitat for Humanity (FHFH), an affiliate of [Habitat for Humanity International](#), was founded in 1991. They serve the Fauquier and Rappahannock County communities. They work closely with community churches, businesses, volunteers and families to eliminate the blight of poverty housing: leaky roofs, lack of indoor plumbing, kitchen or bath facilities, no source of heat, and other unsafe or unsanitary conditions.

Since their founding, they have built more than 44 homes for deserving, qualified homeowners, and rehabilitated several more.

Habitat's ReStore resale outlets sell reusable and surplus building materials to the public. While every ReStore outlet is a little different, most focus on home improvement goods like furniture, home accessories, building materials and appliances. ReStore resale outlets accept donated goods which are sold to the general public at a fraction of the retail price. The proceeds help local Habitat affiliates fund the construction of Habitat homes within their communities.

ReStore resale outlets provide an environmentally and socially responsible way to keep good, reusable materials out of the waste stream while providing funding for Habitat's community improvement work.
